Registration Information – Please read carefully

-Registration nights will be at the Viking Carena on Tuesday April 9 and 10 from 7 to 8 pm. Registrations may also be dropped off at the school office. Registrations must be accompanied by fee payment. Cheques are made out to “Viking Soccer”.

-Parents will be asked to prepare their field at the first or second practice. Please plan on staying for that.

-Players may play with an older age group but not with a younger age group. In some cases age groups may be combined and younger players will play with an older group.

-After April 11, cancelled registrations will have their registration fees returned minus \$25. There are no refunds for fees after April 26 unless registration is cancelled by Viking Soccer (we have to pay league and insurance fees).

-Season starts around the end of April or beginning of May. Start date is contingent on how long it takes the snow to melt and fields to dry.

-Soccer will generally be on Mondays and Wednesdays for U5 to U15. Practice times are determined by the coaches.

- Soccer inquiries may be made to Jennifer Venne at 780-385-6405 or jenniferlvenne@hotmail.com.

-Late registrations are charged an additional \$25 after Wednesday April 10th.

-Have a great season!
